It is the only Non-Banking Finance Company from India to be listed on the Dow Jones Sustainability Index in the Emerging Market Category 2019.

## OBJECTIVES

The client was keen on leveraging the lockdown to open up the creative potential of the mid manager population and seek innovations that will help them stay ahead of the curve.

Co-created with KNOLSKAPE, 'Ideathon' was conceptualized to crowdsource tactics and strategies around cost optimization and business sustenance in the post COVID era. Heterogenous groups of 150 employees gathered over three days of ideation and validation in an engaging and virtual event, spurred by a sense of urgency.

## KNOLSKAPE'S SOLUTION

The client together with KNOLSKAPE co-created a 3-day intervention for an Ideathon for 150 mid-managers pan India virtually.

First step was communication from the Senior leadership to the managers for setting the context. The participants were then divided into 20 teams and each team was assigned 2 themes for ideation.

The outside-in context was set using the Digital BLUR™ framework, with tools to support ideation. The program was designed to enable 150 Leaders to systematically ideate on 4 themes to overcome challenges.

- » **COST LEADERSHIP:**  
Leveraging Ecosystem by Insourcing / Outsourcing
- » **DIGITIZATION/AUTOMATION OF PROCESSES:**  
Leveraging data to improve efficiency, reduce cost; identify new growth drivers.
- » **CUSTOMER ENGAGEMENT & RELATIONSHIP:**  
Identifying new revenue opportunities.
- » **RESOURCING & PRODUCTIVITY:**  
Adapting to the new ways of working.

## KNOLSKAPE'S VALUE ADD

In order to help structure the 3-Day event, KNOLSKAPE, provided the following:

- » Common language and direction to possibilities with KNOLSKAPE's Digital BLUR™ Framework
- » Possible Pitfalls addressed through Digital Fault Lines
